

Moonshadow
OYSTER 68 TECH SPEC

Moonshadow

Moonshadow of Lorne is a world-class cruising yacht, designed for comfort and performance. With core values of strength, seaworthiness and a multitude of practical, seamanlike features, she provides a secure environment for adventurous cruising.

During her lifetime Moonshadow has cruised both the Caribbean and Mediterranean and has proved her pedigree with several Atlantic crossings. She has benefited from an extensive programme of refits and is in prime condition and fully equipped for charter work.

Ballast 11.158kg

Hull & Superstructure White GRP (Awlgrip finish)

Deck 16mm Burmese teak
Keel Lead fin keel
Rudder Skeg hung
Steering Edson cable/quadrant
Wagner linear drive hydraulic autopilot

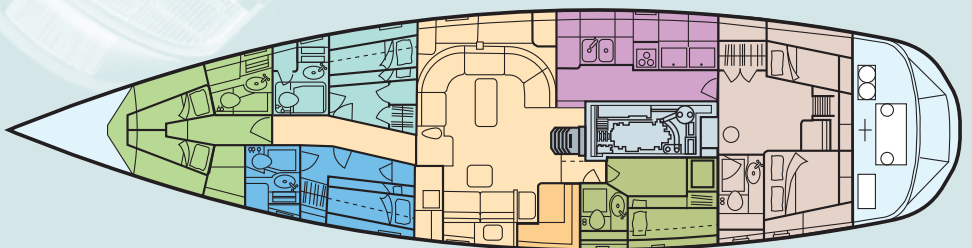

Engine Perkins T6 (185 hp)

Cruising Speed 7.5 knots

Max speed 8.5knots

Fuel tanks 2,000 litres

Water tanks 1,700 litres

Specifications

Interior

The interior joinery is teak with a holly cabin sole, carpet in the saloon and guest cabins and fabric upholstery throughout. Moonshadow offers accommodation for 11 people in 5 cabins; each cabin has an en-suite toilet/shower room. Air conditioning and warm air heating ensure a comfortable living environment. Laptops, mobile phones, cameras can all be charged onboard.

Saloon

The saloon has a curved settee around a teak dining table with fold down leaves and a 2-seater settee with coffee table to port. A drinks fridge, library, Philips HD LCD TV and DVD player and CD/MP3 player are at your disposal.

The navigation area on the port side of the saloon houses the chart table, integral radar, GPS and chartplotter, the log and wind instruments, VHF radio, SSB and Navtex.

Galley

The galley is to starboard with marbled white counter tops, twin stainless steel sinks and dishwasher. Ample stowage is provided in the overhead and countertop lockers. There is a 4 ring gas stove with oven and grill and an electric combi-microwave/oven. Food is kept fresh and cool in the 170l top & front opening fridge and 125l top opening freezer.

Cabins

There are 4 twin guest cabins with upper and lower twin berths. Each cabin has a private en-suite bathroom, with electric flush toilet, washbasin and shower. There is ample storage for personal gear and good lighting and ventilation throughout.

The aft cabin has accommodation for three crew and has a separate companionway that gives direct access to the aft deck.

External

The large deep cockpit has ample seating and a teak table for al fresco dining. A generous sprayhood provides shelter from the elements, while a bimini offers protection from the sun. Moonshadow's tender is stowed on davits at the stern where you will also find the bathing platform with its freshwater shower. On deck there are numerous good vantage points from which to enjoy the magnificent scenery.
